The Real Old Time Religion

tune: "Old Time Religion"

Anon

(Chorus):
Give me that real old time religion (3X)
It's good enough for me!

Asatru And Odinism:

I hear Valkyries a-comin
In the air their song is comin
They forgot the words! They're hummin!
But they're good enough for me!

We will drive up to Valhalla
Riding Beetles, not Impalas
Singing "Deutschland Uber Alles"
And that's good enough for me!

It was good enough for Loki
It was good enough for Loki
He thinks Thor's a little hokey
And that's good enough for me!

Shall we sing in praise of Loki,
Though he left poor Midgard smokey?
Oh, his sense of humor's hokey,
But he's good enough for me!

All the Gods tore into Loki
Saying Deicide is hokey!
And they threw him in the pokey!
And that's good enough for me!

Good old Thor's the god of thunder
Really helps us get our plunder
Tho his head's still truly dunder
He is good enough for me!

In the halls of Frey and Freyja
All the priestesses will lay ya
If you're good enough, they'll pay ya!
And that's good enough for me!

One-eyed Odin we will follow
And in fighting we will wallow
Till we wind up in Valhallow

Which is good enough for me!

It was good enough for Odin
Though the tremblin' got forbodin'
Then the giants finally strode in,
But it's good enough for me!

Shall we sing a verse for Thor,
Though he leaves the maidens sore?
They always come back for more,
So he's good enough for me!

It was good for Thor and Odin
It was good for Thor and Odin
Grab an ax and get your woad on!
and it's good enough for me!

We will worship now with vigor
The goddess known as Frigga
Tho there are some who don't dig her
She is good enough for me!

If you wanna worship Odin
You don't have to have a coat on
Grab a sword and slap some woad on
And that's good enough for me!

We will sing a verse for Loki
He's the old Norse god of Chaos
Which is why this verse don't
rhyme or scan or nothin'
But it's good enough for me...

Bruja:

Let us sing for Brujaria
Though the blood's a lot less cleaner;
It's not Christian Santaria
So it's good enough for me!

Buddhism:

We will all go to Nirvana
So be sure to mind your manners
Make a left turn at Savannah
And we'll see the Promised Land!

It was good enough for Buddha,
As a god he's kinda cute-a,
And he comes in brass or pewta'
So he's good enough for me!

No one wrote a verse for Buddah
Tho I think they really coulda
And I really think they shoulda
'Cause he's good enough for me!

Oh we all will follow Buddah
Oh we all will follow Buddah
And we'll eat no food but Gouda
Which is Gouda-nuff for me!

We will go and sing "Hosanna"
To our good ol' pal, Gautama,
He will never flim or flam ya',
And that's good enough for me!

We will all go to Nirvana
We will all go to Nirvana
Make a left turn at Urbana
And you'll see the Promised Land!

Cargo Cult & Pacific Islands:

To the tune of Handel's "Largo"
We will hymn the gods of Cargo
'Til they slap on an embargo
And that's good enough for me!

If you get too tired
And you need to get up higher
Just have Pele light your fire!
From her island in the sea!

You can keep your saints with halos,
Your hosannas or dayenus:
Let's throw virgins in volcanoes!
And that's good enough for me!

Christian:

We will worship with the Fundies
With their itchy hair-shirt undies
If they don't bring "Mrs. Grundy,"
Then it's good enough for me!

It was good for old Jehovah
He had a son who was a nova!
Hey there, Mithras! Move on ova'!
Another resurrection Day!

Jerry Falwell thinks he's sav-ed
In a lamb's blood he's been lav-ed
And HE thinks that I'M deprav-ed
But that's good enough for me!

That Bob Larson shrieks and hollers
Fighting demons in his callers
Save his program: SEND YOUR DOLLARS!
And that's good enough for me!

Tho J.C.'s into fish, too,
He's an avatar of Vishnu
So he is welcome here, too,
And that's good enough for me!

Brother Jerry is a cretin
But with all the cash he's gettin'
Lotsa folks'll be forgettin
It's the "Land of the Free!"

Brother Robert's church is Crystal
But all the Bible that he's missed'll
Make you "hotter than a pistol"
But he's good enough for me!

Brother Jim and Sister Tammy
Had a show that was a whammy
But now they are in Miami

Tryin' t'get back on TV!

Whether Low Church or it's High Church
Or it's Pie-Up-In-The-Sky Church
Come on down and visit my Church
'Cause it's good enough for me!

You could join Jehovah's Witness
Running door to door for fitness
Well if you've been blessed with quickness,
Then that's good enough for me

There are those who worship Satan
And are just anticipatin'
Armageddon's conflagratin'
That ain't good enough for me!

Let's all listen up to Jesus
He says rich folks like old Croesus
Will be damned until Hell freezes
And that don't sound good to me!

Oh we'll all be Fundamental
And be Holy Testamental
And never Transcendental
And that's good enough for me!

We will finally pray to Jesus
From our sins we hope he frees us
Eternal life he guarantees us
And that's good enough for me!

Anytime that I start hearin'
"Jesus loves you" I start leerin'
Maybe so, but not like Brian *
Which is good enough for me!

Brother Oral's in his tower,
Trusting in the Lord's power

Getting richer by the hour,
Now he's got the ransom fee!

Brother Earnest is a healer
And not QUITE a wheeler-dealer -
More a jumper and a squealer
So he's good enough for me!

Then there's good ol' Brother Billy
Bringing souls in willy-nilly.
All his trips are kinda silly,
But he's good enough for me!

And the Romans said of Jesus
"Lets kill him, he don't please us"
"But the Atheists will tease us"
And that's good enough for me

And let's not forget Pelagius
Though some call him outrageous
He is pious and courageous
And he's good enough for me!

Classical Paganism:

We will go to worship Zeus
Though his morals are quite loose
He gave Leda quite a goose
And he's good enough for me!

We will pray to Father Zeus
In his temple we'll hang loose
Eating roast beef au jus,
And that's good enough for me!

Shall we sing a verse for Venus,
Of the Gods she is the meanest,
Cause she bit me on my...elbow!
And it's good enough for me!

We will venerate old Bacchus
Drinking beer and eating tacos
Til you've tried it please don't knock us
'Cause it's good enough for me!

Let us raise a toast to Bacchus,
We will raise a royal ruckus,
Then we'll lay us down and f**k us
That's good enough for me!

Diana is a little spikey
And she is a little dyke-ey
You don't have to be a Psych-e
To know that's right for me!

We will worship with Poseidon
We will meet him when the tide's in
All the maidens he will ride in
Then he'll give 'em all to me!

All the hunters start convergin'
When Diana is emergin'
It's too bad she's still a virgin

But there's still hope left for me!

And what about this Bacchus,
Who lives just to raise a ruckus?
Loosens women so they'll f**k us,
Well, that's good enough for me!

We will all see Aphrodite
Though she's pretty wild and flighty
She will meet us in her nightie
And she's good enough for me!

Oh we will go and worship Pan,
'cause he just don't give a damn!
Grab a woman or a man,
And that's good enough for me!

Was a time, so I've heard tell, a
Fine and promising young fella
Gave his all to serve Cybele
But that's damn well not for me!

We'll sing praises to Apollo
Where the Sun-God leads, I'll follow
From Ionia to Gaul-o
And that's good enough for me!

We will have a mighty Party
In the honor of Astarte
Grab your chiton - don't be tardy
'Cause she's good enough for me!

In his dancing Pan will lead them
When his pipes call we will heed them
In truth though, he don't need them
He's more than enough for me!

It was good enough for Venus
She'd have sighed if she'd of seen us

Letting morals come between us
And she's good enough for me!

There's one thing that I do know
Zeus' favorite is Juno
She's the best at doing...you know!
And that's good enough for me!

It was good enough for Cupid
It was good enough for Cupid
His wings look kind of stupid
But that's good enough for me!

Let's all drink to Dionysus
Wine and women beyond prices!
He made a Maenad out of my Sis!
And that's good enough for me!

There are those who, when they've got e-
Normous problems that are knotty
They just take them to Hecate
And that's good enough for me!

In the church of Aphrodite
She's a mighty righteous sightie,
The Priestess wears a see through nightie
And she's good enough for me

You can dance and wave the thyrsos
And sing lots of rowdy verses
Till the neighbors holler curses,
And that's good enough for me!

We will sing for great Diana
Who will teach of love and honor
But you really gotta wanna!
'Cause she's tough enough for me!

We went off to worship Venus

By the Gods! You should have seen us!
Now the Clinic has to screen us...
But that's good enough for me!

It was good enough for Sappho
With her lady on her lap-o
She put Lesbos on the map-o
With her pagan poetry!

When we worship Bacchus
The ethanol will sock us
We'll all get good and raucous
And that's good enough for me!

We'll sing praises to Apollo;
Where the Sun God leads we'll follow
('Though his head's a little hollow)
He's good enough for me!

Don't neglect that shrine of Zeus'
Tho he's lost his vital juices
The old boy still has his uses
And he's good enough for me!

We will all bow to Hephaestus
As a blacksmith he will test us
'Cause his balls are pure asbestos
So he's good enough for me!

There is room enough in Hades
For lots of criminals and shadies
And disreputable ladies,
And they're good enough for me!

And to help things get real raucous
The priests of Pan and Bacchus
Will hold a f***ing contest!
And that's all right with me!

We all worshipped Dionysus
'Till we ran into a crisis:
The bar had raised its prices;
That's not good enough for me!

There's that lusty old Priapus
He's just itching to unwrap us.
(He'd do more to us than tap us
And that's good enough for me!)

Pan's pipes got plugged last summer
And it really was a bummer
Finally had to call a plumber!
But he's good enough for me!

Now Danae was sweet as flowers,
She was into golden showers;
And that showed her Zeus' power
And that's good enough for me!

We will sing our staves to Venus
We will sing our staves to Venus
Tho I think this rhyme is heinous
But it's good enough for me!

Let us dance with Dionysus
And get drunk on wine and spices
The Christians call them "vices"
But they're good enough for me!

We will venerate old Hermes
With his staff entwined with wormies
Warding off the nasty germies
And that's good enough for me!

We will all bow down to Venus
As we dance upon Mt. Zenos
We will worship with our...voice
And that's good enough for me!

We all worship Aphrodite,
And Her sister bold Astarte,
They both throw a lovely party,
And that's just fine with me!

Confucianism

Let us read works of Confucius
As we walk through Massachusetts
In white robes that freeze our tushes
But it's good enough for me!

We used to study old Confucius
As we sat there on our tushes
We're learning but don't push us
And that's good enough for me

Cthulhu:

We will worship mighty Cthulhu
H. P. Lovecraft's big old hoodoo
(1930's fiction voodoo...)
But that's good enough for me!

Let us sing to Lord Cthuhlu
Don't let Lovecraft try to fool you
Or the Elder Gods WILL rule you
And that's good enough for me!

Of the Old Ones, none is vaster
Even Cthulhu's not his master
I refer to the unspeakable *
and that's good enough for me!

And for those who follow Cthulhu
We have really got a lulu:
Drop a bomb on Honolulu!
'Cause that's good enough for you!

We will worship Great Cthulhu,
We will worship Great Cthulhu,
And we'll feed him Mr. Sulu
'Cause that's good enough for me!

We will sacrifice to Yuggoth
We will sacrifice to Yuggoth
Burn a candle for Yog-Soggoth
And the Goat With a Thousand Young

Well it's good enough for *
He's a mighty kinky master
When you pray he goes much faster
And that's good enough for me!

Let's go worship Great Cthulhu,
And run naked like a Zulu,
You and me and Mr. Sulu,

And that's good enough for me!

* - well, do YOU want to say it?

Let us sing to old Discordia
Cause it's sure she's never bored ya

You'll be taken by the Fairies
Meet the Buddah in Benares
where he'll hit you with a pie!

We will sing a verse for Eris
(Golden apples for the fairest!)
Though she sometimes likes to scare us
But she's good enough for me!

Of Great Murphy much is spoken
For his Law shall not be broken
It's not pretty when he's woken
Things go wrong for you and me!

If your god of choice is Squat
Well then trendy, man, you're not!
But you'll get a parking spot!
And that's good enough for me!

Let us do our thing for Eris
Goddess of the discord there is
Apple's golden, it's not ferrous
And that's good enough for me!

Let us praise the Holy Fool
For he's breaking all the rules
Holds you up to ridicule,
And that's good enough for me!

(The Almighty) Dollar

Oh, the dollar is our Savior
If we spend Her or we save Her
She controls all our behavior
There's not enough for me!

There are those who scream and holler
And get hot under the collar
For their god, Almighty Dollar,
Who is good enough for me!

Call Him God, or call him Allah
The priest will take your dollah
Easy living from -your- follah-
-wers, but sorry, -not- from me!

We will worship like the Druids,
Drinking strange fermented fluids,
Running naked through the woo-ids,
Coz that's good enough for me!

In Pwyll's hall you will be welcome
But he's not at home too often
Spends all his time in Annwyfn

Let us all now worship Ra
And take care of our Ka

All to go and worship Horus
Doff your clothes and join the chorus
And that's good enough for me!

When we all bowed down to Nuit
There was really nothin' to it
(Alex Sanders made me do it...)
But that's good enough for me!

We will pray with those Egyptians
Build pyramids to put our crypts in
Cover subways with inscriptions,
which is good enough for me...!

We will all do praise to Horus
In an old Egyptian chorus
If there's something in it for us
Then it's good enough for me!

We will venerate Bubastis

Cause my cat walked up and ast us
(Now the cat box is DISASTROUS!)
